### Our Services

Curran Delaney Financial Services Ltd is a member of Brokers Ireland.

Our principal business is to provide advice and arrange transactions on behalf of clients in relation to life & pensions/mortgages/general insurance products. A full list of insurers, product producers and lending agencies with which we deal is available on request.

### Insurance Intermediary Services/Mortgage Intermediary Services

We act as an **Independent Broker** which means that:

- a) the principal regulated activities of the firm are provided on the basis of a **fair and personal analysis** of the market; and
- b) you have the option to pay in full for our services by means of a fee.

### **Fair and Personal Analysis**

The concept of fair and personal analysis describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/ or a specialist area. The number of contracts and providers

considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could reasonably be expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair and personal analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and
- any other relevant consideration.

### **Insurance based Investment Products**

We are remunerated by commission for the advice we provide on our insurance based investment products.

### **Life & Pensions**

We provide life assurance and pensions on a fair and personal analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policy and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies.

Specifically on the subject of permanent health insurance policies we will explain to you; a) the meaning of disability as defined in the policy; b) the benefits available under the policy; c) the general exclusions that apply to the policy; and d) the reductions applied to the benefit where there are disability payments from other sources.

For a serious illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

## Non-Life

We can provide advice on and arrange products from the following range: household, motor, commercial, public liability, employer liability, and travel insurance.

We provide general insurance advice on a limited analysis basis, i.e. providing services on the basis of a limited number of contracts within the market. We provide advice on the following product providers:

- Allianz Plc

We will also offer assistance to you in relation to processing claims on policies taken out with us and in seeking renewal terms on your cover.

To ensure continuity of cover, where you have an existing policy which is due to expire and where we have been unable to contact you, we may put continuing cover in force whilst awaiting your instruction. You will be liable for any premiums payable to the relevant insurer for the period of time between renewal and when we receive your instruction. You have the right not to avail of this service.

## Mortgages

Through the lenders or other undertakings with which we hold an agency, Curran Delaney Financial Services Ltd. can provide advice on and arrange mortgage products from the following range: fixed-rate loans, variable rate mortgages, capital & interest mortgages, interest only mortgages, endowment mortgages, pension mortgages and residential investment property.

We provide mortgage advice on a fair analysis basis (providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable the firm to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs).

We will need to collect sufficient information from you before we can offer any advice on housing loans. This is due to the fact that a key issue in relation to mortgage advice is affordability. Such information should be produced promptly upon our request.

## Statement of Charges

We are remunerated by commission and other payments from product producers or lenders on the completion of business.

You may choose to pay in full for our services by means of a fee. Where we receive recurring commission, this forms part of the remuneration for initial advice provided. We reserve the right to charge additional fees if the number of hours relating to on-going advice/assistance exceeds 2 hrs, where we also may have received commission.

In certain circumstances, it will be necessary to charge a fee for services provided. These are listed below. In other circumstances where fees are chargeable or where you choose to pay in full for our service by fee, we will notify you in writing in advance and agree the scale

of fees to be charged if different from fees outlined below.

If we receive commission from a product provider, this may be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission may become the amount payable to the firm unless an arrangement to the contrary is made.

### Life and Pensions

You may elect to deal with us on a fee basis.

e.g.:

Additional fees may be payable for complex cases or to reflect value, specialist skills or urgency. We will notify you in advance of providing you with these services. Our scale of fees for such cases range from a minimum of €100 per hour to a maximum of €150 per hour. If we receive commission from a product provider, this will be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission will become the amount payable to the intermediary unless an arrangement to the contrary is made.

### General Insurance

We may be remunerated by commission from insurers on completion of business. Details of this remuneration are available on request. Where an override commission is received, this will be disclosed to you in general terms.

Brokerage fee: €100 – €150

Cancellation or Mid Term Alteration fee: 5% of the premium, with a minimum of €50.

Claims handling: Depending on case.

We will inform you of the amount of fee to be charged. Where it is not possible to provide the exact amount, we will provide you the method of calculation of the fee.

## Mortgages

We may receive up to 1% (*or whatever maximum is applicable*) of the loan for arranging mortgage finance. This commission is paid by the mortgage lender. The actual amount of commission will be disclosed at a later stage in the ESIS (European Standardised Information Sheet) which will be forwarded to you. Information on the variation in levels of commission payable by the different creditors providing credit agreements being offered are available on request.

We charge a fee of €250 for advising on a mortgage application, this fee is non-refundable. This is not in any way an indication of mortgage/loan approval. Our fee will be notified to the lender who will include this fee into the calculation of the APRC (Annual Percentage Rate Charge).

Please note that lenders may charge specific fees in certain circumstances and if this applies, these fees will be specified in your Loan Offer. You have the right to pay a fee separately and not include it in the loan. Typically, this situation arises in relation to specialist lending.

If we provide mortgage advice and obtain a Loan Offer for you and you subsequently do not proceed with your mortgage application through our firm, we will charge you an arrangement fee of €450 for our services.

## Ongoing Suitability

The firm's services does not include ongoing suitability assessments.

## Regular Reviews

It is in your best interests that you review, on a regular basis, the products which we have arranged for you. As your circumstances change, your needs will change. You must advise us of those changes and request a review of the relevant policy so that we can ensure that you are provided with up to date advice and products best suited to your needs. Failure to contact us in relation to changes in your circumstances or failure to request a review, may result in you having insufficient insurance cover and/or inappropriate investments.

## Disclosure of Information

Any failure to disclose material information may invalidate your claim and render your policy void.

## Conflicts of interest

It is the policy of our firm to avoid conflicts of interest in providing services to you. However, where an unavoidable conflict of interest arises we will advise you of this in writing before providing you with any service. A full copy of our conflicts of interest policy is available on request.

## Default on payments by clients

We will exercise our legal rights to receive payments due to us from clients (fees and insurance premiums) for services provided. In particular, without limitation to the generality of the foregoing, the firm will seek reimbursement for all payments made to insurers on behalf of clients where the firm has acted in good faith in renewing a policy of insurance for the client.

Product producers may withdraw benefits or cover in the event of default on payments due under policies of insurance or other products arranged for you. We would refer you to policy documents or product terms for the details of such provisions.

Mortgage lenders may seek early repayment of a loan and interest if you default on your repayments. Your home is at risk if you do not maintain your agreed repayments.

### **Complaints**

Whilst we are happy to receive verbal complaints, it would be preferable that any complaints are made in writing. We will acknowledge your complaint in writing within 5 business days and we will fully investigate it. We shall investigate the complaint as swiftly as possible, and the complainant will receive an update on the complaint at intervals of not greater than 20 business days starting from the date on which the complaint is made. On completion of our investigation, we will provide you with a written report of the outcome. In the event that you are still dissatisfied with our handling of or response to your complaint, you are entitled to refer the matter to the Financial Services and Pensions Ombudsman (FSPO). A full copy of our complaints procedure is available on request.

- If the client is an eligible investor as defined in the Act; and

- To the extent that the client's loss is recognised for the purposes of the Act.

Where an entitlement to compensation is established, the compensation payable will be the lesser of:

- 90% of the amount of the client's loss which is recognised for the purposes of the Investor Compensation Act, 1998; or
- Compensation of up to €20,000.
